

MOBILE BOOKING

Welcome to East Coast and we're excited to introduce you to our user-friendly mobile app that links right to your corporate account! To install and book a reservation via our mobile app, follow these steps:

Applications are available by clicking one of the following links or by searching "East Coast Limo" in the app stores.

1. Once the app is properly installed, it's time to link your corporate profile. These credentials will be sent to you via email from our account management team.
2. The app will prompt you to login. Simply tap "Login" since you are already registered. You may also tap "personal" to book personal trips for yourself.
3. Your Username = Your Company Email Address
4. Your provided password is temporary and can be changed later.
5. Under the menu, you are able to edit your personal and payment information.
